Sport Rehabilitator/Physio Volunteer

Leicester Riders Basketball Club is the oldest professional club in Britain and has been one of the most successful Basketball Programmes in the past 10 years at all levels of competition. Over the past 10 years, the club has enjoyed success including numerous BBL League, Cup, Trophy and Play- Off titles. Leicester Riders Basketball Programme has a long-established Academy programme that aims to prepare young talent for playing at the university and collegiate level and is one of the largest academy programmes in the UK.

Description

Title: Rehabilitator/Physio Volunteer

Responsible to: Head of Medical

Role: Assist in the delivery of Medical/Sport Science support to the Loughborough University programme, Charnwood College England Development Academy Programme (Ages 16-19) and the foundation programme (Ages 13+).

Hours of work: 8-16 hours per week (weekend and bank holiday availability preferable).

Placement duration: Aug/Sept 2024 – June 2025

Location: Primarily based in Loughborough at Charnwood College & University Campus, occasional travel to Leicester Morningside Arena for additional support.

Application deadline: 21st of April 2024

Key Tasks

- Lead & Assist in the delivery of gym-based and on-court rehab.
- Lead & Assist in injury assessment and the creation of rehab plans.
- Provide practice and gameday medical provision.
- Work within an interdisciplinary team.
- Liaise with the S&C coaches regarding the return to play pathway.
- Work within and around the guidelines set by Basketball England in conjunction with the EDP regulations and audit.
- Engage in CPD curriculum.
